Scholarships for children of NBDAA members

At the 2019 AGM in Moncton, Susie Dignam suggested that NBDAA award scholarships to children of members. The board of directors agreed that it was a great idea. In 2021, we will award 2 scholarships of \$500 each for post secondary education for children of members.

One of the scholarships will be called the Susie Dignam scholarship in recognition of her years of volunteering and devotion to the profession.

Do you have a suggestion for the name of the second scholarship? If you do, give [Bernice](#) the name and why you think this would be a good name. Application forms will be available in May.
